Hi Dan!

How are things with you? I know that you are going to visit Krasnoyarsk in early spring. There will be the Winter Universiade 2019. A lot of teams from different countries will take place in this competition. I invite you to attend some sport events that will be held in this period. I want to ask you, what kinds of winter sport do you like? Perhaps, do you do one of this kind? Actually, I very like to watch hockey match on TV, also I like ^{the} figure skating, that's why every winter I skate with my friends on evening after school. Although I can skate with my parents ^{and relatives} at the weekends. And I like to watch ski track, it is very interesting. So when I was six former I skied at winter and I rowed at summer. But it was very complicated, hard and difficult, you should be very strong for it kinds of sport, so I didn't skied yet. I hope you like sport and you will interest winter kinds of sport. In Krasnoyarsk there are a lot of interesting places that we can visit together. They are the castle of sport, ^{where are held sport match} many parks, where you can run, jump and do sport, a lot of gym, where there are a lot of sport facilities and other beautiful places. I'm sure you will like Krasnoyarsk and its places. Hope you'll write to me.
